Property Giving

Since the beginning, Caesars Windsor Cares has proudly supported local organizations that work towards building a better future for our community and its citizens. From corporate giving to volunteering and fundraising, we work to enrich our community by partnering and contributing to local non-for-profits in long-lasting, sustainable ways. Since its inception in 1994, Caesars Windsor Cares has donated $14 million in funding and in-kind resources to support non-profits in carrying out their missions to positively impact the greatest number possible, in the following areas:

- Health and Wellness
- Environment Sustainability and Conservation
- Community Enrichment
- Seniors
